Mixed concrete & asphalt loads will be charged the same price as concrete with rebar or asphalt pricing. We do not accept concrete pipe or asphalt with flex-mat or paper. Dump loads with cable or wire mesh are subject to higher pricing and/or may not be recyclable. We take cash and Visa/MasterCard/American Express/Discover cards. Customers with an account can pay with check. All products purchased are weighed on certified truck scales. Oversize concrete or loads needing special handling will be priced by the loader operator. We do not accept hazardous waste, industrial waste, transite pipe or transite shingles, loads with petroleum smell, barrels, mud, wood, plastic, weeds, etc. Prices are subject to change without notice.

Minimum price on all transactions is \$15. Call Boe at 801-243-1183 or email at sales@blandrecycling.com on large volume pricing on aggregate sales. Visit our website at www.blandrecycling.com
