ASPHALT DUMP FEES.....Call for pricing and to see if we are currently accepting loads

*Roll off's hauling clean/washout concrete needing to be flipped will be charged a $60 special handling fee. *Loads mixed with concrete and asphalt will be charged the same price as asphalt pricing. We do not accept concrete pipe or asphalt with flex-mat or paper. Dump loads with cable or wire mesh are subject to higher pricing and/or may not be recyclable. We take Visa/MasterCard/American Express/Discover card. Credit card purchases will be charged an additional 3%. Customers with an account can pay with check. All products purchased are weighed on certified truck scales. Oversize concrete or loads needing special handling will be priced by the loader operator. We do not accept hazardous waste, industrial waste, transite pipe or transite shingles, loads with petroleum smell, barrels, mud, wood, plastic, weeds, etc. Prices are subject to change without notice. Minimum price $40. Call Boe at 801-280-3578 or email at info@blandrecycling.com on large volume pricing on aggregate sales or dirt dumping questions. Visit our website at www.blandrecycling.com *Business hours may vary and are subject to change due to holidays or bad weather.
